Jeffrey,
Dave was asking about his salary,. He said Darren told him it was 50k salary for 50hours of flight time,. Of which we have hit that time frame, I think the intension was to be 50 days of flying not hours at \$1,000.
At this time I have Dave flying 33 days since July 2009, which includes the Boeing flights for maintenance.
let me know if you want to wait till we hit the 50 day mile stone, or if you think its fair to pay him a daily rate starting at your choice?
Thanks,
Larry
