no, I thought it was in your interest to see other questions , i have delayed my own , as long as i could,, not earlier.. you are so suspicious, no one wants to go first. , this is a prime example of how you can misinterpret even the smallest of things.. the priority always is delay,, as the cases could settle. so certain lawyers won't be there. you have no idea what you are talking about, but once again have a strong misguided view.

I am still annoyed you moved my depo and didn't let me do mine first. April is the worst time for me and in fact anything after next week is difficult for many reasons. Again, others get priority..
