summary " in 02 Glenn /Highbridge running couple of hundred million for me and my clients. I never ask more than where should i put some more money. Zwirn in house, then spins out. when he spins out. Glenn (DSAM) has piece of mgmt co. and approx 500 million of highbridge money in a special managed accout. glenn also has a personal lp interest for himself as well as his foundation. DSAM continues to receive its portions of fees , as a distribution . It also upon instructions I am told from JPM begins to wind down its 500 million , in preference to the funds. The SEC is all over zwirn from 06. continues today Fortress takes over, ,Glenn gets bought out of the mgmt co . over a 5 year period beginning 04 . Approx 30 million, continures to receive proportinate share of fees total I paid 53 million to z. In 06 I ask for my total 140 million to be redeemed. glenn and dan beg just take out half so there is no run on the bank, I put in a request for 80.. months later they say , ha , we fucked you. partial redemtions are under a different paragraph of the agreeement Todate Ive received nothing, highbridge still has 20 million in the fund,
