Jennie,

Todd asked me to forward the below cover note and the enclosed Term Sheet for your review.

Best,

Michelle

Dear Dean,

Attached, please find a proposed term sheet for a potential investment in Greenjets. We would each take only a portion of the total investment, but I would expect we will find other investors to join on these terms.

We have not yet received a balance sheet, so we have made some assumptions regarding the existing ownership and capital structure.

You have a very exciting business concept. Thank you for the opportunity to partner with you on Greenjets.

We look forward to discussing this with you further.

Best,

Todd Thomson

Jennie Saunders
