Yeah, so it's not working with [REDACTED]. I'm going to finish the weekend and figure this out this week. Also, this burn is looking pretty nasty. I was thinking it might be better to see a doctor in NY on Monday. Is there anyone you can think of that could keep this from turning into a big scar? Otherwise I'll ask around. :) not to worry. And this damn ski hill puts moguls at the top of a blue run! My 1st run in 2 years and it's moguls! Still alive here, for now. I forgot how involved this was! Thinking of you. Hope your day is going well!
