You asked for alternatives for the cottage door replacement budget \$82,000 for 20 openings

I went thru the existing doors and think the shutters can continue to be repaired by island staff.

the entry doors are not salvagable in my estimation.

I recommend that they be replaced with new doors with fixed glass(Keeps the rain out,ac in)

cost \$2,000 each from Hoch \$40,000 He' 1/2 the cost of local bidder.

if you want to shutter the inside add \$300 per door \$6,000

if you drape all the inside you may not need the shutters

comments?

Gary

ps. I am running a cost analysis on stone walls will report when complete
