Jeffrey,

It will only take 1 day, I'm waiting to hear from the dealer when they can fit in this week and the cost will not be known until they see what needs to be done for the maintenance , it may not be a full service that will depend on how much mileage is on than car from last year's service. I will have the cost estimate once the car is checked out.

I checked with Sarah and was told that you were not due into NY until next week that is why I'm trying to get this done this week.

I will forward the estimate once the car is picked up and checked out.

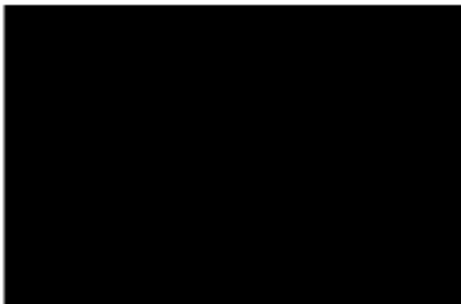

Thank you
