Hey,, i love you,, and i realize these times are stressful for you ,, but i must ask a favor. I am finding it much more difficult, as I get little if any quality sleep at all now that the hours have changed, I know you are not doing things to annoy me howver, I must point out that after 2 hours of brice bitching about the isalnd staff, one at a time,, darren bitching about the islands personeel on the permit side and the mess in payroll,, to jack in the office for a half hour complaining abou the other lawyers on hte case. I truly look forward to seeing you.. instead of ,, would you like a facial,, i found an intersting article , book or web page, I've organized something you might like. THIS IS WHAT i hear,,, i'm trying to figure out why i am getting dirty looks from the....., do you take naps.?. can you believe [REDACTED] thinks i'm her friend, she;s so stupid, I don't want to tell her where i buy my jeans..I am wiling to tell [REDACTED] where to get celluite treatment because i like her. my brother used to copy me, ..I would appreciate it if you could try to focus on positives. at least if only for two more months.
