Yesterday I meet with Cezar Gonzalez from Mentor Technical Group, Puerto Rico. We discussed Telco/Data infrastructure options and the fiber link between STT and LSJ.

A proposal will be forwarded to you for your review.

Cezar's company can provide Construction management, Civil engineers, Mech Engineers and Landscape Design. www.mentortg.com

Both Silvina and I recommend meeting with Cezar in PR to discuss the possibility of retaining their services for the development of the master bedroom, existing compound and landscape design. Possible replacement for Maguire Group, MA.

Can we proceed?

regards

Brice M Gordon
