It is my plan to have detail conceptual ideas of the following areas for you to review by the end of next week:

1. Office connection
2. East flag pole cabana
3. Rear patio at main house
4. Painted patio at pool area
5. Proposed road paving details
6. Landscape & paving around the hexagonal cabana on the west side

The purpose of this review would be to get your input before I go any further so I would like to come to your office to review everything in detail, if this works with your schedule. I was thinking thursday or friday June 18th - 19th. Let me know which day works for you; or if another time is better.
