Mr. Epstein; Sorry things did not work out. I'm not really sure what happened or why. the only explanation I got from Curtis is that I am not an LSJ team player. This could not be further from the truth. The fact of the matter is I am not a Curtis team player and he knows it. I have nothing good to say about Curtis, (and neither does anyone else) so I'll leave it at that. I will miss working for you and hope to stay in contact. As always, if you ever need anything, (coconuts or otherwise), please do not hesitate to contact me at any time. If you ever want the non-sugar cotted version of what happens on LSJ I would be happy to discuss that with you at your convenience.

Best Regards.
