I think you should only decide if and when you get there,, you are spending needless energy thinking about what shoes you will wear , if you get the job.. when the time comes, you will adn should make the decision that gives YOU pleasure.. either if onlhy for the moment or over a long period of time.. In other words. do you want that fish, or prefer to wait for your chinese one.

Thank u very much,i think u r right and i like ur explanation throught my job...and i have one last question then.
What if i come back to NY for a job and Richie will try to book me for another 1 day job..or blow job...)...should i do it again?my feeling is that its not a good idea...just wanna hear ur opinion
Thank u
