david or bob ,, please send to josephburg , a notice of change of counsel. Tell him as soon as David is up to speed we would request a face to face meeting. In addition ask him if he will accept service for all eleven girls.. alternatively send him subpoenas for the girls and please put each one on notice that we will be requesting their my space diaries, back acct photo albums text messages. and they are not to destroy or alter. them. We were also abiding by the gentlemen's agreement he reached with jay , not to investigate surveillance or subpoena any of his girls while negotiation were ongoing.
