To JEE

As indicated in attached photo. the parapet wall will need to be continued (area in blue). If the building was going to be extended in the near future then I would suggest not. Once area between building is back filled, could be a good parking area for trailers boats etc, will check that engineering is in place first, ie sign off by Maguire group.

can we continue wall as indicated?

Brice

We found the real 'Hotel California' and the 'Seinfeld' diner. What will you find? [Explore WhereItsAt.com.](#)
