Attached is the service quote for Time Warner to. provide Data services to the ranch (T1).
As you can see the savings is considerable and i have asked for new phone and data service contracts to be forwarded.

Sprint data (T1) MRC \$894.46 vs Time Warner (T1) \$393.00

once agreements are signed there will be a 30 day lead time for changes to take effect.
Please note Time Warner was the original service provider for Data (T1) to the ranch.
