I spoke to Daphne yesterday. She said that she knows more about medical internships than nursing internships. She is planning on calling me within the next week or two in hopes she will then know more about nursing internships. I mentioned to her that last year I was contacting Bill Laurence about possibly getting a nursing internship but since I was not a junior I could not. Daphne told me to email him and CC her so that we can all be on the same page. I have not emailed him yet. Do you have any recommendations as to what I should include in the email?

Thank you for all your help and time Jeffrey!
xoxo
