I found an apt in Paris already for rent for a month...in Opera....
So I'm gonna stay there until the end of july....
With Richie is good too..we call each other every second day which is just enough, he might come to paris in 2 weeks to see me and then ill probably go to see him to Ibiza or Sardinia. It depends in what kind of shape I'm gonna be, cause since I stopped taking that diet pils I gained a little.I mean I look good but don't feel good, so I have to work out in a gym really hard to get ready for summer...
And I wanted to ask u if u could recommend me some book please , if u don't mind...so I can read while in Paris...I would really appreciated..thank u
