cocktail, probably until 9pm or so. Computer science is a little to foreign for me as I can barely send an email myself (!) but love to learn so biology is great if you can tolerate quiet people at your table and I am v interested in politics especially foreign policy. Check out [REDACTED] is the NY based [REDACTED] I brought to DC. Business wise my favorite area is food!Q

Interesting computer scientists at the house this week, biologists , politicians.. ,
any interest,? any area in particular. ? what time will your cocktail party go till?
