Jeffrey,
winds are coming from the Southwest, area of showers just south of St. Croix moving toward St. Thomas,,
who will going on the trip for my customs notification?

plus, Nicolas will be flying with me, he has a meeting with the Google people either today or tomorrow in St. Marten,. Google's new Yacht named "Senses" is located in St, Marten, If you don't mind, I would like to show Google flight dept the S76 in St. Martin,,. I know they are interested in a twin engine helicopter, could be a long shot, just a thought,.

let me know if you want to do the trip today or tomorrow,?
weather will be clearer tomorrow, just more wind, less shower activity.
thanks
Larry
