Hello JE,

Happy new year, if this is ok with you if I could have till mon ... work with HBRK MON AM, then have lesley book me for say 1 pm @ 71 st then could continue wifi roll out. For rest of day.

And at the same time have a brief meeting on what items are best to bring to lsj and FTC so I can get that order to plane but wheels up time Tues go get all needed gear for island trip..... Would love to start that part of the plan And would love to travel with team if that is not a bother to you in anyway Stay at FTC and lsj long enough to relay get that place running great....

Consistor getting sue and u autocad It's expensive but the fact she knows the software it a huge plus

Also would like to get a couple of cell wifi hot spot cards to test on island in addition to apple base stations and a few mile repeaters as you mentioned

Hoping to relax on new years day and start fresh and focused monday I so enjoy working with you and you team and hope to keep delivering solutions
