Title: St. Barth's

I am just putting this holiday lunch together now for Dec. 28 at 2:00pm at Taiwana.
It's a lot of top girls and Aby, Vivi Nivo, Pigozzi, Bob Colacello...I will invite Buffet, but will probably sail...I am inviting Dasha.
Aby got me invited to New Year's Eve on Roman's boat.

Dasha is in business with Wendi Murdoch in online listing of all Picassos etc and which ones are for sale. Larry Gogo and Nicolas Berggruen invested.

I will keep you posted on the lunch...maybe you will come. Or I can do another lunch for you on a later date.

I am having such a great time. If I never leave this beach, I see everyone. Can not believe I never came here before. Palm Beach is dead...but Egypt and Kenya are still magical experiences...all Jews, Euros and Black rock n'roll...
Hardly your Palm Beach crowd but very alive, interesting and fun.

Merry Xmas

Going to church to say a pray for you. Please be careful about walking around with three girls. Even though they are legal. I worry about your social resurrection. xoxox Peg
