could you get a message to Governor Richards office, here is our plan for tomorrow's trip to Neckar island,.

please confirm if its only JE flying to Neckar tomorrow, need passenger load for customs,.

-Heli departs 7am from STT to LSJ, Nicolas and Larry are Pilots,.

-pick up JE at 7:45am, LSJ to Anagada, arrive 8:05am to clear in British customs, keep engines running and then depart to Neckar Island , only 5min flight,. arrive Neckar at 8:15am,.

can you have Governor Richards and Brian Condit British custom's entry card delivered to Helicopter on our arrival,.we will take those cards and drop off at Customs in Anagada and return to Neckar,. so we can fly direct from Neckar to St,Thomas, to avoid the extra stop for VIP's. for 10am arrival,.

thanks,
