Good morning..

My flight to NY was cancelled this morning, and I'm trying to rebook a flight, but I'm not finding anything with any airline until Friday. I can't even get through to talk to someone on JetBlue in order to rebook(they don't even let you stay on hold.. just tell you to call back later). I'm just trying to figure out what I should do. I could fly back to St.Thomas and fly back to NY with you?
