No prob but she asked me in the car about VS and wanted to know about your "intentions". Of course I said all the right things, that you're just being friendly, etc. I think it's important to talk to her about her career, would also help me because I don't have a signed agreement with her and the Russian guy she was with last night made a huge drama bc we left him in the car alone. I haven't spoken w her yet, have you?
