Hi Jeffrey,
Hope you're well. The winter and work are starting to take its toll on me. I've been thinking more and more about my retirement. Can you recommend a financial planner who deals with small potatoes like me? I need a plan for retirement (hopefully, that will happen in 3 years). I have a tda with the bd of ed that's in fixed income, some cash in a money market and a few stocks. I want to make responsible choices but I don't really understand what I'll need to retire or how to get there.
Thanks forever,
