Another nadia caused crash, ending with "I can't believe it. " I am dissappointed that once again, fueled by your suspicions, and carelessness. you end up in the shit. I told you over and over that what you told me and what he said on the phone , I didn;t understand .. Again you thought I was merely delaying you and YOUR lawyer.. HE needs Money, He won't do anything more with out money, can I have more , you said you would help. I transfered it to you. You are not adult enough to require paperwork when you give a stranger thousands of dollars because you so much want to believe in their bullshit. You don't even get a signed piece of paper. Why? because you know what you doing. I want money I need movement, You need to speak with him again ???why??: he answered all your questions. jeffrey you promised to help , but ,, are not listeing to my lawyer? jeffrey what else do you need from him , he has told you everything,, what else do you need . ? I want , I need , I have no time, I need more money.. THS once again is the result of being a spoiled brat with no conception of money nor responsibility.
