HI

There is some emergency and Bill needs to leave immediately after our meeting at Schrodinger.

He need to be in the air at 6pm.

I am not joining him to DC as I need to stay in NYC one day more to take care of few things.

If you have time, I can meet you after my meeting at Schrodinger (at your place around 5:45pm).

Bill is thanking you for last night and says that it was fantastic.

I will let you more.

See you soon!

I never stay up that late.. thanks.. I would like you to ask Bill that though his , " man in the street " concern regarding the eventual convertibility of the foo's/ -- is the right marketing concern, BUT what is the last- resort convertibility of the DOLLAR.? NONE , it converts to nothing. It is the current world champ currency , due only to trust and confidence..contrast/ the shares of microsoft. have a judicial claim on the co's assets.
