I never stay up that late.. thanks.. I would like you to ask Bill that though his , " man in the street " concern regarding the eventual convertibility of the foo's/ -- is the right marketing concern, BUT what is the last- resort convertibility of the DOLLAR.? NONE , it converts to nothing. It is the current world champ currency , due only to trust and confidence..contrast/ the shares of microsoft. have a judicial claim on the co's assets.
