Not sure there is anything to discuss with Jeffrey as if I continue to work for you I will be doing this on my time not Jeffrey's.

Currently between JEE work and full time job at home with [REDACTED] I do not have a large amount of free time.

Last February you mentioned that by June 2010 all work would be removed from HBRK and I would be paid for my time.

It is now 1 year later and nothing has been done.

I have devoted myself 100% to you over the past 5.5 years and put your financial life in very good order .

I feel that all the hard effort that myself, Bella and Harry have devoted to you is not valued.

Regardless of whether you choose to work with me or not there is still a considerable amount of time needed to transition to new accounting firm and potential replacement of me. That is why I sent you my billing rates. You specifically told me in beginning of January that whatever payment plan I decided upon was ok therefore I am confused from you last email.

Spoke with Alan and they anticipate 7 hours per month for an estimated cost of 850-1000 per month.

My rate will be 150 per hour or 3000 per month your choice.

Additional fees will be Alans cost to do tax returns which he will not know until he see prior returns.

I am unable to meet today however we can speak this afternoon
