hi jeffrey,

thank you but i dont think i can go today, i dont feel good, i'm stil in bed, i got a cold or flu dont know what this is but i dont feel good. my muscles hearts and i'm sweating a lot probably i have temperature. sorry.

besides, tomorow i have to meet rich..i hope i will be able to, ..he called me friday and he asked me to find someone to do plastering and painting in some rooms on 71st ts. i have a friend who can do that.

.....
if you go to the island, i have some small suggestions, i just rememberd: in the bathrooms, in cabana no1,2,3 the bottom side of the windows is stone. i think the bathrooms might be nicer if that would be white.

and then in cabana no3 (by the pool) they painted the crown molding with the color of the ceiling and its kind of glossy, but that used to be white like the white on the walls.. i think would be nicer if that would be flat white(mate) not glossy, and maybe the headers of the doors too.. just take a look.

.....
sorry for not be able to come today, maybe i can come tuesday or wednesday. i have to buy a few more paints for the ceiling of the library too.

have a good flight,
ion
