The last thing i want to have happen is to re-argue things that were unpleasnt for both you and I.. though i repeatedly said that if you did not go on castings and at least tried to give an impression to others of being serious, you would find yourlself in the situation you currently find yourself in.. I told you then , at that time that , if you don't do certain things, the outcome is predictable. and then you will come to me and say, what can i do now,, and i said that i will say i don't know.. you make decisions , that have easily seen consequences, . I m not sure how to move forward,,, this immigration fund is not the answer.
