Replace all the lightbulbs on the terrace to match; white incandescent bulbs

Change faucets in master to match the powder room(I have ordered and will bring down with JE's next visit)
Move a white bench from the dock(or something similar) outside the kitchen window for Je to see
Change the rubber strip on the bottom of the kitchen doors to white and fill in the grout on the floor by the entry door
Put a handle on the outside of the outside shutters to open easier(only on the one door which you open first)
JE wants a large rain shower head for the middle shower head in the ceiling of master(**instead of extending ceiling shower down**)
There is something wrong with the switch or wiring of the middle row of lights in the kitchen.. they keep flickering
JE wants more pink flowers like the ones at the top of the waterfall(I'm not sure exactly where)
JE wants more bougainvillea by the library
