[REDACTED] pills were sent yesterday, she should receive them today. I have asked her to let me know when she gets them. The ones I have sent her are [REDACTED] (the generic). I dont know if you would like to let her know that they are the exact same thing as [REDACTED] (which were the [REDACTED]). She has [REDACTED]. I have put reminders in my diary so that we will be able to send her [REDACTED].
