- Post Gary meeting, many challenges remain for him to pull the cables with 100% success by end of day. So the plan now it to set up as much gear as possible and test it in your office, then label that gear to be plugged in via gary, nick, jermaine, or whoever will be here when elec, fiber, painting, is out of the way for IT to do its job.
- **emad is reporting his is citrix working at hbrk**, (please note he was very helpful when making this happen yesterday) which was rebuilt via iphone while i was taking am boat need confirmation from rest of staff
