Re: we need Nick's 135 back:

My understanding would be that I should not book AV NYC until we are refunded the 135 k from nicks firm.

So if that is the correct understanding

MY FOLLOW UP QUESTION IS WHAT INVOLVEMENT DO I HAVE IN THE PROCESS OF GETTING A REFUND FROM THAT VENDOR???

My suggestion is Larry take point on it as he seems to have brought nick into the team.

But if JE wants me to handle it i will

thank you

Scott
