> We could alter the base investment # to €1bn and then have a callout box
delineating the potential scope of investment (ie up to 20%). Does that work?
> With regards to a translation into Chinese, it would be possible.
> We would need to articulate the recommended approach strategy (ie State Council
and downwards) to Fang Fang and Wenjie to get them in the loop.
> Would you be free for a call early next week with them to discuss the
strategy/get their buyin?
