My dearest, beloved Jeffrey,

I hope you are doing well. I know you are a man who will always stay strong and survive. You have helped and done so much good for so many people. I'm proud to say I'm one of them.

You are a person who had such a profound impact on my life. You gave me so many extraordinary memories and you are a person I am holding closest to my heart. I always will. I hope to see you again in the near term.

Me, I'm just catching my breath, recovering from 3.5 rough years. Finally in a somewhat stable job. Very ironic it would be NYU.

I'm alone. It's over with my [REDACTED] man. I told him he had to marry me or leave for good.

Always with love,

[REDACTED]
