Subject: FW: feeling better but still sick

I find it strange that he has taken 4 sick days in 3 months..

- a) Day 1 – snow storm (he could not get a cab to work)
- b) Day 2 – snow storm (he could not get a cab to work)
- c) Day 3 – March 17th – St Patrick's Day and 65 degrees in NY
- d) Day 4 – March 18th – 70 degrees in NY

Let's file this for his review

best if I work from home

I am up and working

cell

as a back up only

home line is [REDACTED]

also can remote in when needed.

thank you
