JE,

The good news: They let me come home yesterday, a day early after surgery I, the more dangerous of the two. I am told it was successssful. They operated through my

[REDACTED]. Swallowing is awkward, my voice sounds weird, and I am basically resting.

The bad news: the surgeon, as planned, wants me back surgery II, going through [REDACTED]. Less problematic, but more painful.

In all, an unfun experience.

Cheers!

JB

p.s. Thanks for your thoughts. Will call when I feel better.
