these seem to be the big areas at the moment

- nick and 71st book and oversee the job
- FTC new internet get rid of sprint and make the apple server the gateway after your ok on pricing, reasoning and timing
- employee configuration and help (hbrk) continue employee training and file transfers
- 71st (club 54) investigate with Richard barnet what rooms are active and install additional sonos devices
- LSJ (switch upgrades) confirm with jermaine asante order (replacing cisco on the mac side) after your approval
- Zorro (server, vpn, basic switch)
- Pick a date with darren to shut down 71st (ie citrix,cisco etc)

thank you

Scott
