Title: Fw: My Oscar Diary

Just landed in Palm Beach. Organized a memorial lunch for my mother's golfing pals at Club Colette Saturday.

Here is attached a review from the film critic of Entertainment Weekly! Fainting.
I know you sent me something today or yesterday...will read tonight. Staying at Earle Mack's. Carol is in China visiting their son.

Back Sunday for bway opening of Priscilla Queen of the Desert.
xoxo Peggy

Scott Rudin was delirious with the media/Tony voters lunch we did for "The Book of Mormon" today in the pool room of the Four Seasons...Mike Nichols co-hosted with Scott....great turnout.
Show opens March 24...I am going. After I see "Catch Me if You Can" I will be able to handicap the Tony's...

Woody Allen's film opening Cannes and Terry Malick's "Tree of Life" premiering too. Denise Rich wants to do free lunches and/or dinners on her boat...
I have to see if I can get a fee from the studio for bringing a free event...get Denise to pay me...more to come...booked Carlton Hotel. Have assignment to write already. xoxo Peg

We have HBO's "Mildred" Pearce" with Kate Winslet Monday night.
