Subject: To JEE - Music Neuroscience Workshop
[MusicInNeuroscience2012.pdf](#)

Hey Jeffrey - Greetings from Switzerland - invited here to a heavily-computational music neuroscience workshop in beautiful Monte Verita...program attached...giving two talks (including the finale "big picture" lecture) and a tutorial on harmony...Heartfelt thanks for helping to make this possible via your generosity to The Institute for Music & Brain Science...wish you could be here...Peace & Love, Marco
