I think you will do really well in this position. you will learn a business,, deejaying will not teach you anything,, be patient.. learning new skills takes longer than you think,, it is perfect and you can go far.

Hey Jeffrey & Boris!

As you both don't know yet, I am emailing to give you a quick update on Mc2. I spoke to Fred today and he said to come in tomorrow at 9am.

I am excited to give this a try and see where it goes. If after a while I realize this is not something I'd like to pursue I'll look into something else.

As you know Jeffrey, I am very thankful and grateful for all your help.

Besides this, I am looking into music Deejay/ remixing schools. It's something I thought about for a while.

Xx
Sam
