you were awake and visibly upset and angry when I showed up. you being a week without sex ,for the first time since jail because i changed my mind and gave you an ultimatum at the very last minute , I hoped you could ignore .

You invited me to fly you from LSJ.

You brought [REDACTED] to the island. relevance?

You told me it was not because of any guests and now let me question what you said --either assumed I didn't know or cared. now let me question your reasoning , though you did take time to try to explain , to me that by changing my mind 5 days before a long planeed trip , gave you concern,

You gave me an odd reason for Dave's flight by calling me unreliable.

You even suggested I stay in a hotel with Larry on the island.
