All machinery/operators working five palms
Will schedule Jules and Peter Saturday to attack berm area

Have crew on rocks on road , rubbish around berm area and moving of cost u less
Also have someone from BVI looking at barge and other machinery today

no issue,, tomororow you should take charge and direct clean up top of hill ,
get all the machines you need,, the landscapers are doing noghting tom and bill
both said they are merely getting in the way,, cut them back to minimal crew until
construction complete, there was six guys raking at five palms without direction
or being asked by tom or bill.. they were supposed to only be for clean up,, you
should take the all tomoorw and except for th berm we should be spotless.

Dear Jeffrey

Many Thanks for getting in touch.

We have actually been speaking to your Manager, Mr Brice Gordon who has given us the equipment lists that you have and we have also been over to the island to have a look at some of it.

Unfortunately all of the equipment that we would have been interested in has already been sold, and the only other item that we had discussed was the purchase of your barge but this is not suitable for our area.

We really appreciate your offer and for thinking about our project, and if anything else comes up then please do let us know.

Kind Regards,

Rob

Dear Jeffrey,

Thanks so much for remembering. I'll copy your email to Rob Aquadro who is overseeing the rebuild. Could you possibly let us know what equipment you've got?

Hope all's going well for you.

All the best,

Richard
