Hi Lesley,

I hope you are well!

Jeffrey would like me to sign him onto Integrity Defenders. They are a tech group that works to get bad press off the Internet. (The field is called Offline Management). Their website is [www.integritydefenders.com](http://www.integritydefenders.com).

The cost is \$2,449 plus taxes I think for the advanced package. I will be liasing with the account manager. Could you call or email her and give her a credit card for payment? Her contact information is below.

Many thanks! take care,
