David,
It was a pleasure meeting you as well. I have spoken to our management team and they will be in touch with you very shortly.

I believe that this project can clearly be mutually beneficial.

All the best,
Charles

Dear Charles

It was a great pleasure to meet last week. I thank you for taking time out of your schedule to discuss the Jean George Ferry with us

We sincerely believe there are a number of synergies that could be developed and meaningful to all parties.

We are available to meet with the management of the Intrepid this week to

advance this thought into a reality

In appreciation,
David
