Hi Leslie, I'm in Thailand...and she leaves town tomorrow evening i think. I tried for tonight at 9:30pm as Jeffrey originally suggested, but she is working, she thinks until 10pm.

So tomorrow would be better, but I don't know when her flight is, so if sometime in the afternoon works let me know.

Thanks,
Ramsey

Talk with Irina and let me know what works...you can give me some days/times as well...If the weekend is better, that is fine also....but lets do get something on the calendar!
