You were right, the men are starting to get a bit crazy now and jealous. I received at 5am calls and then a huge message asking where I was, and I was at another guy's place and he asked me then who was calling at this time. And one guy sent me a picture of his cock.
So this is all fun but I still don't come without my vibrator...Of course they all love when I use my vibrator.

So how is it done right then?
He sprayed it in my mouth yesterday - that was also much harder than I thought.
