I tried last night and this morning, .. have a good trip. / hope you enjoy la. .. as for my concern
1. I believe I have behaved more than perfectly . Respectful, sensitive etc. Paris the island. all the
time extra careful,, and then after waiting for weeks to see you again,, it only took one
conversation that you clearly misheard to receive a " I can't believe it Jeffrey you were doing so
well " / not as we agreed,, Jeffrey you should be aware that that conversation made me
uncomfortable. . I would have explained to you that you obviously did not hear what was said
, and i told you the story , that he enjoys telling , letting him know that you can be trusted and are
a close friend. His reaction as I said was , what got into her? . I understand your fragility, though
you spent seven years with imad , you spent the first twenty with your mother. I have encourage
you to embrace the experience as you rightly point out, however, if it is part of each and every
conversation it will be difficult for you to move on. with your life .. Hope to see you when you
get back
